### Caring for the environment

Help us look after your Reserve  
 by following these guidelines:

All native plants and animals  
 are protected by law. Please  
 do not disturb them in any way  
 Please keep your dog on a lead  
 at all times

Please take rubbish away with  
 you for recycling and disposal  
 Do not disturb or remove any  
 historic relics or artefacts

No fires, (including gas or fuel  
 stoves in tents) may be lit on  
 days of **Total Fire Ban**. This  
 Reserve is in the  
**Central**

### Total Fire Ban District

### Mobile Phones

You may not be in network  
 range in some areas of the  
 park. To be connected to  
 Police, Ambulance or CFA, key  
 in **112** then press  
 the **yes** key.

### CAUTION:

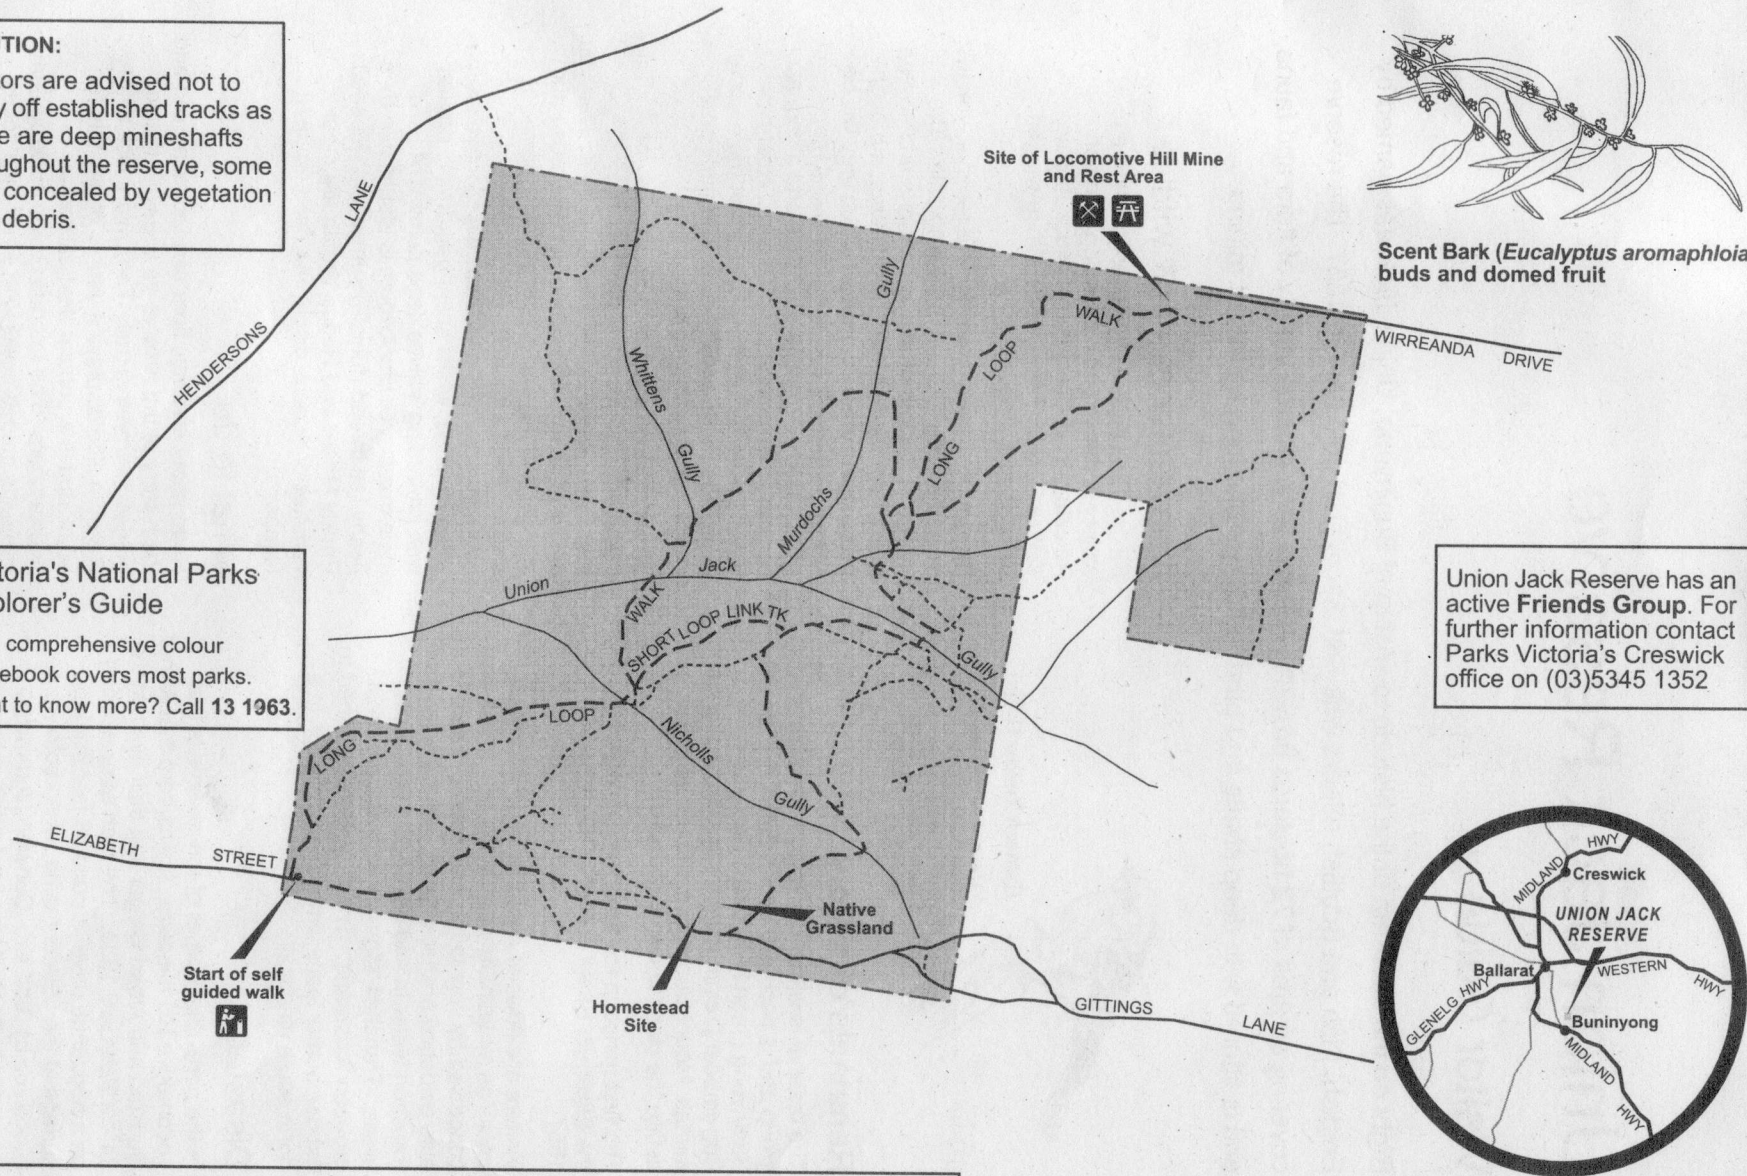

Visitors are advised not to  
 stray off established tracks as  
 there are deep mineshafts  
 throughout the reserve, some  
 well concealed by vegetation  
 and debris.

### Victoria's National Parks Explorer's Guide

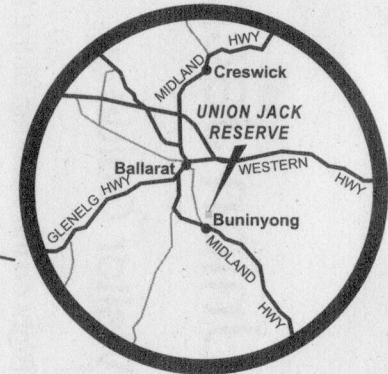

This comprehensive colour  
 guidebook covers most parks.

A self guided walk has been developed for you to learn more about the history, flora and fauna of the Union Jack Reserve.

Information is provided at points of interest along the way.

The short walk will take you about 40 minutes, past historic diggings, and one of the old home sites. You may even catch a glimpse of some of the elusive wildlife.

The longer walk will take about two hours. On this walk you can learn more about frogs, tree dwelling mammals and visit the mine site and rest area at Locomotive Hill, where two men lost their lives in 1933.
